ALUMNI PRESIDENT'S REPORT

Phi Delt Continues Its Strong Presence around Campus *New Members and Officers Expected to Represent the Chapter Well*

By John Cornick '81

Our chapter has been very busy lately, with a new pledge class, new officers, philanthropy events and many other events on the horizon.

We welcomed 11 new pledges this past fall and another six pledges during spring rush, bringing our total to 78 overall. We still have five members of the lacrosse team (who have become inactive for the spring), three varsity football players, several rugby players and others in various extra-curricular activities within the University. We expect to start the next semester with about 55 members.

New officers are in place this year, ready to represent our chapter well. **David Paschal**, from Charlotte, NC, is President. **Will Teddy** has stepped up as Vice President and **Brian Stockton** has been appointed Treasurer.

"We continue to build on our history of charitable contributions, winning the Paul Beam Trophy from National for our hard work."

Pierce Lee and **Luke Thomas** have been busy as the Rush Chairmen, making preparations for Fall Rush. A new rush brochure, letters to potential members, and a Blue/White football barbecue have all been implemented as well as the rush schedule and events. The Legacy Dinner, started by **Steve Bell '67**, is a favorite of the Rushes who've had fathers, uncles or brothers who were Phi Deltas. Currently, we have more than 15 legacies at the house.

We continue to build on our history of charitable contributions, winning the Paul Beam Trophy from National for our hard work. We completed our second Eve Carson run, netting another \$25,000 for scholarship. The

partnership with Phi Beta Pi Sorority has been great and we expect this will go on to be an annual event.

"The new 501(c)(3) Corporation Beta Chapter of PDT Inc. was off and running this year. So far, in a down year, we've started with more than \$14,000 in contributions from our alumni. These gifts are restricted to charitable and educational purposes."

The new 501(c)(3) Corporation Beta Chapter of PDT Inc. was off and running this year. So far, in a down year, we've started with more than \$14,000 in contributions from our alumni. These gifts are restricted to charitable and educational purposes. Our NC Beta House Corporation account was increased this fall by \$10,000. We hope to do the same for the spring, as this money is in our Morgan Stanley account (\$65,000) and is only to be used for emergency repairs.

Our house continues to be grateful for John Jenkins, our cook for the past 10 years. Word around campus is that we have the best fraternity food – thanks to John!

Looking down the road, we expect to have another successful Parents' Actives Dinner during the NC State/Carolina game on November 20. We are planning for this event and the parents of **Rally Killian** (Coco) and **Michael Mitchell** (Ginny) have already secured the Carolina Inn.

Unfortunately, due to monetary restrictions, this will be our only newsletter this year. I hope you enjoy reading it!

Alumni Donations Continue to Keep Accounts Healthy *High Expectations for 2010 Despite Poor Economy*

By Robert J. Page '51

So far this year we have accumulated more than \$14,000 in our Morgan Stanley account

"Thanks to our healthy accounts, we have been able to accomplish many major renovations"

from tax-deductible alumni contributions.

We recognize that the economy may make it difficult to donate, but we hope that alumni contributions will continue to add to the fund in 2010.

We maintain an active Morgan Stanley savings account for emergencies. This account stands at \$65,000, after adding \$10,000 to this account in the fall. We hope to do the same next fall, as we expect to use our surplus

this year to paint the house and buy furniture for the Matthew Mason Lounge.

Thanks to our healthy accounts, we have been able to accomplish many major renovations. Currently, we are maintaining the house, making sure it remains in good shape. Often a challenge when 80 men use the rooms daily, but we work hard to make sure they stay in good repair, year after year.

Welcome to the Chapter!

This past fall and spring, 17 New pledges became members.

CHAPTER REPORT

Major Awards, Student Involvement and Continued Academic Improvement

By Scott Gunn, Outgoing President

This past year has been very special for the North Carolina Beta chapter of Phi Delta Theta. It has been my honor to serve as the president. I've learned a great deal of leadership skills and lessons from my experience and want to thank everyone for helping me along the way.

There have been many great accomplishments that are milestones for our fraternity. At the UNC Greek Awards, we won more awards than any other Greek organization. The Eve Carson Memorial 5K, which raised \$27,000, was recognized as the most outstanding philanthropic activity on campus. We also received a fire safety award, an academic citation for being above the all-campus average and won the new member challenge.

The National Phi Delta Theta Conference was held this summer, where we also won major awards. The conference was attended by brothers David Paschal and David Alexandre. For the first time in recent years, our chapter was named a Gold Star Chapter by the Phi Delt headquarters. This prestigious award recognizes outstanding performance in all aspects of chapter operations. For the second consecutive year, our Carson 5K was awarded the Beam Trophy for the most outstanding philanthropic activity of all Phi Delt chapters. We also received a recruitment award, the Biggers Ritual trophy, and the GHQ award.

Brent Blonkvist was awarded with the Holmes Scholarship from National.

This past year several members held positions in important student-run organizations. Kenneth Barshop and Russell Martin served on the Student Congress as district representative and finance committee chair. Junior Brent Blonkvist served as the Interfraternity Council (IFC) Vice President of Internal Affairs. Thanks to Brent's hard work, Phi Delt was able to maintain its close relationship with the University during a time when the Greek System at UNC has been under scrutiny. Matthew Miller, David Alexandre and Michael Mitchell served on the Greek Judicial Board. Matthew has also been elected the new IFC Vice President of Judicial Affairs to serve for the 2010 calendar year.

Academically, we continue to improve our overall GPA and IFC ranking. A cumulative GPA of 3.26 ranks us third out of the 22 IFC fraternities on campus. Our GPA is above the all-men, all-Greek and all-University average—a sure sign that the chapter is following the cardinal principle of sound learning.

2009 was undoubtedly an excellent year for our fraternity, and I am excited to see us improve.

HONOR ROLL OF DONORS

The following alumni have helped give a great start to our giving year, raising \$14,263 since September 1. Help continue the momentum by donating to the 2009-2010 annual fund. You can do so online at www.uncphidelt.com or by calling 800-975-6699.

PLEDGE CLASS REUNION

What's New With You?

Do you have news that you'd like to share? We can feature your news, updates and photos on our website. Simply go to www.uncphidelt.com and submit your information today!

Phi Delt is UNC's Chapter of the Year

Congratulations to the undergraduates of Beta Chapter for receiving the "Chapter of the Year" award for the second time in three years at UNC. Chapter President Scott Gunn also won "President of the Year", and the chapter received the 100% fire safety award, which they've received every year this decade.

Class of '68 Gathers for Semi-Annual Reunion

First Row (L-R): Stewart Wilson, Bert Behnson, Bill Spry, Richard Parker

Second Row (L-R): Charlie Lynch, Buddy Wester, Chuck Robbins, Tom Tilly, Hubert Haywood, Ronnie Ragwell, Calvin Wells, George Saenger

Third Row (L-R): Thomas Fonville, Robbie Culp, Randy Worth, Art Clark, Bill Purdy

Send news and photos of your reunions to content@affinityconnection.com!

Phi Delt is for more than your college years; it is for life! See page 3 for more info on how to share your alumni experience with other brothers.
