## INCOMING FOUNDATION PRESIDENT JOHN M. CORNICK '81 EXTENDS THANKS TO STEVE BELL '67 *N.C. Beta Chapter Get High Marks*

It is my privilege to introduce myself to you as the incoming president of the North Carolina Beta Foundation, Inc., replacing Steve Bell '67. None of us can thank Steve enough for the incredible job he did over the past four years building a strong foundation for us to build upon and move forward. Steve has agreed to remain on the Board for another year along with Bob Page '52, George Holt '58, Ronnie Bagwell '68, Bob Eaves '58, Randy Worth '68, Shoff Allison '99, Jack Dunn '92, Jeff Beach '81, Vin Wells '98 and Greg Poole. The Beta Foundation is very fortunate to have this group of experienced and committed individuals willing to give their time toward keeping the fraternity headed in a positive direction.

I am happy to report that the Phi Delt house is in great physical condition. When Steve Bell initiated the fund-raising process for the house renovations four years ago, a challenge was made to the alumni to put a process in place that would ensure that the renovations were not destroyed by the brothers immediately after completion, as well as develop a plan for proper yearly maintenance on the house. The process that was developed included a financial commitment from the current brothers in the form of a deposit and also a commitment from the Board to be actively involved in changing the mindset of the brothers toward their treatment of the property. The renovated house has been occupied for two full years by the brothers, and I can honestly say that the house is in better condition now than when they moved in. I want to recognize the extraordinary efforts of George Holt in his commitment to keep the house properly maintained. George, in his "retirement," has formed a company whose mission is maintenance of fraternity houses. His commitment to excellence is the main reason the house is in fine physical condition.

The brothers are a super group of guys being led by their current president, Durant Bell '02. Durant has put together a strong group of officers who are very active with the Board and are equally committed to keeping the fraternity moving in a positive direction. The brothers are excelling in the classroom,

on the athletic fields and in other areas of University life. Phi Delta Theta is truly the number one fraternity on the UNC campus.

We do have many challenges facing us in the upcoming years ahead. The Alcohol-Free Housing policy will continue to take a lot of effort from the brothers and the Board. The Board needs to continue to develop ways to maintain the house's physical condition for years to come through financial contributions and contributions of time and materials from alumni. I would like to see the brothers become more involved in civic and charitable endeavors that can be fun and rewarding.

I hope you will take the time to visit the house and meet the current brothers. I also would appreciate any comments or suggestions you may have. Please feel free to contact me through the Beta Foundation or e-mail me at [johncornick@beerscc.com](mailto:johncornick@beerscc.com).

## PARENTS' WEEKEND WAS MAGICAL

By Steve Bell '67  
Immediate Past President  
N.C. Beta Foundation

November 10-12 was Parents' Weekend at N.C. Beta. After the football game, more than 170 parents, Phi Deltas and dates were invited to the Carolina Inn for a cocktail party, dinner and magic show.

World-class magician Michael Ammar entertained the group with a spectacular performance. Newspapers were torn into pieces and made whole, \$100 bills magically disappeared and were found in lemons that were cut open by members of the audience, and dollar bills "floated" in mid air.

Everyone enjoyed the weekend, and there is talk of having a similar event next year.

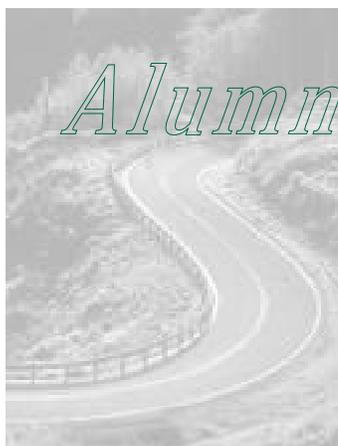

The Alumni Records Office of the N.C. Beta chapter of Phi Delta Theta Fraternity has started a new and exciting initiative to increase the number of e-mail addresses on the Phi Delta Theta database. We need your help to obtain all 1020 e-mail addresses! Just log on to [www.2stayconnected.com/pdt-unc/](http://www.2stayconnected.com/pdt-unc/) and give us your name, e-mail address and send your latest news while you are there! (You can also tell us about your latest happenings, even if we already have your e-mail address.)

## Alumni News

**J. Allen Whitaker Jr. '28** was planning to move to a new home last year at 112 Cobblestone Ct., Rocky Mount, NC 27804. From 1929, he remembers the new house on what was then Pittsboro Road. The place had no furniture at first, but several North Carolina Beta alumni were kind enough to furnish the entire house.

In the fall, **R. Wilson Howard '39** (1164 Keith Hills Rd., Lillington, NC 27546) enjoys the Homecoming football game and visiting the fraternity. He is proud of the house renovation. Wilson golfs with **Floyd Whitney '42** and invites other brothers to call, visit and play some golf (910-893-8887).

**John W. White '42** (6104 Bresslyn Rd., Nashville, TN 37205) and Dudley Brown Morgan were married in October.

**Stuart C. Woodman Sr. '44** (1535 Searsmont Rd., Appleton, ME 04862; swoodman@mint.net) has been living in Appleton for several years. "It's a little piece of paradise on this

earth. The population is 200 and all are friendly."

**L. Gleason Allen '47** (4423 Cascade Rd., Wilmington, NC 28409) received a certificate from the North Carolina State Bar in recognition of his 50 years in the practice of law.

**Ernest G. Crone '47** moved to a retirement residence last fall. His new address is 7950 N.W. 27th Blvd., Rose Ct. #1, Gainesville, FL 32607.

**Charles G. Sproule Jr. '47** (P.O. Box 272, Royal Oak, MD 21662) enjoys golf, fishing and travel. He's had three grandchildren at Chapel Hill and has "one more to go."

Retired physician **Thomas A. Stokes Jr. '50** (3839 Regent Rd., Durham, NC 27707) is married to Peggy and has three children and seven grandchildren. He likes to hunt ducks and geese in Canada. He sees **Carl Harris '51** frequently on the golf course and spent time with **Jim Broyhill '50** at the 50th wedding anniversary celebration for Donnie and **Ralph Strayhorn '47**.

Now that he's retired, **Donald L. Harley '54** (1722 Brooks Ave., Raleigh, NC 27607) spends time at the beach,

travels, plays golf and enjoys his grandchildren. He and Mary Lou were expecting the arrival of their seventh grandchild. On a trip to Sea Island, they saw Bev and **LeRoy Townsend '54** and Nancy and **Press Millen '55**.

**Pieter L. Hogaboom '58** (3519 Haverstick Pl., Charlotte, NC 28226) was expecting his first grandchild in July 2000. He and **Jim Martin '57** meet regularly to swap books and stories. Above: Pete and a friend band a wood duck on the Catawba River. Pete also maintains wood duck nest boxes along the River.

You can write to **John R. Cauble '56** at 3823 Beverly Glen Blvd., Sherman Oaks, CA 91423. In honor of his 30 years of work in playwriting with the Kennedy Center, the national short-play award of the Kennedy Center-American College Theatre Festival has been named the "John Cauble Award."

Through the years, Warren and **Charlie Krepp '58** have remained close friends and kept in touch with monthly phone calls. They and their partners have taken trips together and shared many family events. Warren has also spent some enjoyable hours with **Pete Higgins '56**, **Larry Shannon '55** and **Buddy Baarcke '54**.
