ALUMNI CHAPTER UPDATE

A Letter from Incoming President H.K. Hallett

To the Phi Delta Theta community,

As the incoming President of the N.C. Beta Foundation (the House corporation of the UNC Chapel Hill Phi Delta Theta Fraternity), I would like to take this opportunity to thank outgoing President **Tom Kerns '72**. Tom has provided stellar leadership over the last several years, particularly during the planning and \$800,000+ renovation of the House, which became a reality after Steve Bell's diligence in raising the necessary funds.

Other members of the current Board are **Steve Bell '67**, **Bob Page '52** (Secretary-Treasurer), **Randy Worth '68**, **Ronnie Bagwell '68**, **Peter Pace '83**, **John Duckett '09**, **Jack Magee '09** and **Scott Gunn '10** (Chapter Advisor).

As a member of the Board since 2011, along with having two Phi Delt sons, **Campbell** (freshman) and **H.K. III '14**, I am very familiar with the workings of the Chapter. My goal is to continue to assist in preserving the Phi Delta Theta Chapter's reputation as one of the most respected and well-kept fraternity houses on campus. Many generations have enjoyed the lifetime benefits and camaraderie of being a member of our wonderful organization. In order to survive as a fraternity today and to insure that the young men in our care have a decent place to eat, socialize, and study while at UNC, alumni oversight of the Chapter is critical. The House is strong, and we currently have over 80 brothers as well as a fantastic cook and steward of the House, Tim Galliher, ably assisted by Sara Ayala and Lourdes Alvarez. We have a fun parents' weekend in the fall, which has been coordinated by the Mothers of the Chapter members every year since 1999, sponsorship with the Pi Beta Phi sorority of the 8th annual Eve Carson 5K Run fundraiser, which raises over \$130,000 annually, and numerous other charitable initiatives and events planned throughout the year. From our large philanthropic endeavors, down to our everyday character, we have proven ourselves stronger than other fraternities and have worked tirelessly over decades to earn goodwill in the eyes of the University and National Phi Delta Theta leaders.

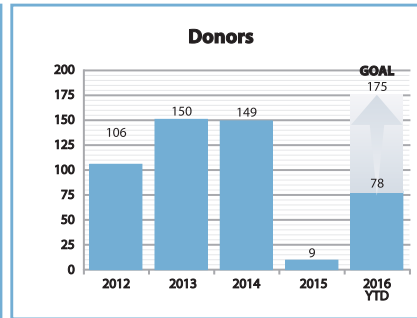

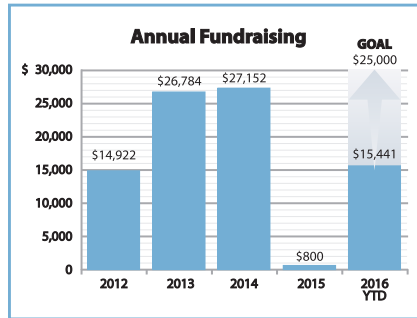

A special thanks goes to **Bob Page**, who has been the Secretary-Treasurer of the NC Beta Foundation for over 45 years and who has announced his pending retirement. Bob will remain with us until we can find a replacement to fill his role regarding communications, upkeep of the House, and finances.

Thank you for your support, and if you have any questions or concerns about the House, please do not hesitate to contact me at hk@kingfishercapital.com.

ANNUAL FUND

Our annual fund for the 2015-2016 giving year began on September 1 and, so far, we have received 78 donations for a total of \$15,441 toward our goal of \$30,000 from 175 donors. This means we are halfway to our goal! We greatly appreciate all donations we have already received, however we still have a long way to go over the next four months. ***Did you know that almost 70% of all alumni have never made a donation back to North Carolina Beta Chapter?***

back to your time in North Carolina Beta Chapter, all the fun times, what it taught you and how it molded you into the man you are today. North Carolina Beta Chapter relies 100% on alumni donations and, without your continued support, there may not be a Phi Delta Theta at UNC in the future.

of you who haven't made your gift yet, we'd like to remind you of the importance of your gift.

Strong alumni support is the glue that holds a chapter together and, as we work to secure the future of our chapter, you play a critical role. Our future rests on your shoulders! Think

The North Carolina Beta spirit lives on in all of you. We hope you'll pass the torch by making a gift that will impact future generations of brothers.

Thank you to all who donated**:

ACTIVE CHAPTER UPDATE

Proving Once Again That Hard Work Pays Off

The spring semester has been both a busy and exciting one for the NC Beta chapter of Phi Delt. We earned a very strong GPA in the fall semester and remain near the top in terms of GPA and size of our chapter. Not only are we succeeding in the classroom, we also remain one of the most heavily involved chapters on campus.

Justin Coleman (senior) recently helped the Tar Heels basketball team reach the Final Four in Houston. Additionally, **Louis Stephens** has headed up an organization called "Go Meals," which delivers leftover food from Greek organizations to the local homeless shelter. **Alex Quarath** also recently led the men's club soccer team to a

national championship in Phoenix this past fall.

The officers on the executive board have been hard at work as well. Under the leadership of our philanthropy chair **Seth Pinosky**, we broke the record of money raised for our Eve Carson Memorial 5K in the fall and our Breakfast for Dinner benefitting Habitat for Humanity just a few weeks ago. Our alumni chair, **Reid Farber**, organized the first annual Luke Garrison Memorial Golf Tournament just a few weeks ago, and it was a huge success. Lastly, our rush chairs have been hard at work with the recent acceptances to Carolina and have planned our big rush event in late April.

RECENT EVENTS

Thousands of Dollars Raised for Charity

On April 2, 2016, Phi Delt hosted the first annual Luke Garrison Memorial Golf Tournament. Despite the rain delay, the tournament was a great success. We filled all 60 of our spots, including 30 alumni, and raised nearly \$3,500 for the Luke Garrison Foundation. Luke was a great member of Phi Delt and was loved by everyone who knew him. We look forward to growing this tournament and continuing this tradition for years to come. We would also like to congratulate **Chad Hoskins '17**, **Clark Alcorn '16**, **Al Lunsford '13**, and Daniel Gunn for being part of the winning team!

Additionally, on Friday, April 22, Phi Delta Theta partnered with Kappa Delta at UNC-Chapel Hill to host the 6th annual Cookout to Knockout ALS. The event raised money to support the ongoing fight against Lou Gehrig's Disease because Lou Gehrig himself

was a member of Phi Delta Theta. The proceeds of the cookout will benefit the NC chapter of the ALS Association and the Joe Martin ALS Foundation, both of which provide diligent care and remain committed to finding a cure. Despite some slight rain this year, we had a great turnout from the student body, and many families were able to make it to the event. The silent auction was bigger than it has ever been, and this year we raised over \$4000! We would like to thank everyone for showing their support, and we hope you all will be able to make it to the cookout next year. Go Heels!

CHAPTER ETERNAL

In Loving Memory of Two Brothers

Luther "Luke" Snyder Garrison III '13, age 24, passed away peacefully on November 13, 2015, surrounded by his loving family. He was a resident of Hickory, and was the son of Gail Hedrick Garrison and Luther "Snyder" Garrison Jr., and the brother of Thomas Hedrick Garrison, all of Hickory.

Luke attended St. Stephens Lutheran School and graduated magna cum laude at Woodberry Forest School. He was a 2013 graduate of The University of North

Carolina at Chapel Hill with a degree in biomedical engineering. Luke was employed as a process engineer at Valdese Weavers. He was an Eagle Scout and a member of Phi Delta Theta Fraternity. Luke was an avid outdoorsman who loved skiing, hunting, hiking, camping, and fly fishing, especially at Grandfather Mountain.

Other survivors include Luke's longtime girlfriend, Elizabeth "Betsy" Emory Church; grandparents: Nancy Shuford Dowdy, Luther Snyder Garrison, Lucille Webb Hedrick and Thomas Monroe Hedrick; aunts and uncles: Chip and Tammi Wood, Ralph and Rosa Ronalter, Edward and Rebecca McKee, Harley and Kristy Garrison; cousins: Trevor and Cory Hanes, Nancy and John Ronalter, Sam and Garrett McKee, Kate and Caroline Garrison, as well as 32 second cousins; great aunts and

uncles: Harley "Buck" and Helgi Shuford, Pope and Peggy Shuford, Alex and Nancy Shuford, Geneva Braica Cole, and Roberta Stout Horn.

It is with heavy hearts that we also announce the passing of Brother **Don Graham Dempsey '47**, an alumnus who passed away in November. Even though he is no longer with us, he will remain forever in the hearts and minds of his friends, family and PDT Brothers.

His wife, Faye Dempsey, wrote, "Don died on Friday, November 20, 2015, at 7:50 p.m. at Hospice House in Greenville after having been at Vidant Hospital since the previous Saturday with pneumonia.

He was such a dear, sweet person—so hard to let go.

We had his funeral on Monday, November 23, at Jarvis Memorial United Methodist Church.

We celebrated Don's 90th birthday with a BIG surprise party (over 150) at Greenville Country Club on September 26, although his actual birthday was on October 3. It was absolutely wonderful, and he had such a good time, saying, "It was the best party I've ever attended; I knew everybody there!"

ALUMNI UPDATES

Staying Connected with your PDT family is very important. That's why we recently asked each of you to submit an update and any exciting news you might have to share with the rest of your brothers. Here's what some brothers had to say:

Barden Winstead Jr. '82

I have recently accepted new responsibility with my firm, Stifel Investment Services. In addition to being the branch manager in Rocky Mount, I also have assumed the branch manager position for Stifel in Raleigh. I'll be splitting my time between both Rocky Mount and Raleigh. Come see me at 3605 Glenwood Ave., Suite 310 or call me at 919-645-5900.

Lt. Commander Richard A. Vinroot Jr. (BA 92, MD, MPH 04)

I returned from Kandahr, southern Afghanistan last December, where I was Trauma Team Leader with the US Navy Medical Corps. I have re-deployed forward again and am serving as Director of Emergency Services with US Navy Expeditionary Medicine at Camp Lemonnier, a counter-terrorism base located in Djibouti, Horn of Africa. When I am not deployed with the military, I am an emergency medicine physician at the Ochsner Health Systems in New Orleans.

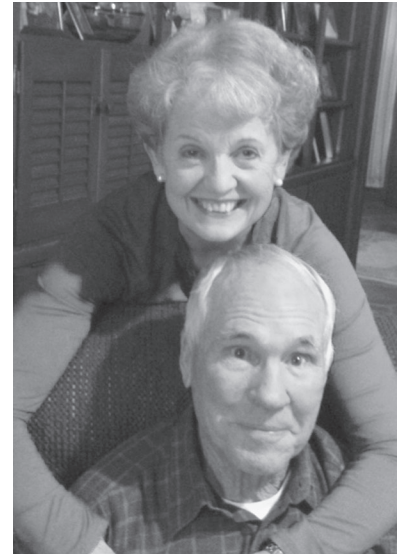

John Harmon '66

"You asked for my biggest accomplishment;

Lt. Commander Richard A. Vinroot Jr. (center)

clearly that was marrying Joyce Watt, who was a Tri-Delt at Carolina. We were both in the Class of '66. Needless to say, she was a regular visitor at the PDT house. Our 50th reunion is this May. After Carolina and Duke Law School, we have lived and worked in Atlanta, Washington, Paris, Washington again, and then Austin where we have been for the last 34 years. I have retired from my law practice and am now

Joyce and John Harmon '66

training horses and bird dogs, chasing redfish, bonefish and tarpon and visiting our six grandchildren full time. Life is good.

I was president of the Class of '66 and am in charge of planning for the reunion. Joyce and PDT **Bill Taylor '66** and **George Wainwright '66** are on the planning committee with me. We are expecting a big turnout from our class of '66 PDT brothers."
